Ref. Club offer 060309

6th March 2009

Dear Club Secretary

I write to update you on changes to our business model which could be to your Club's benefit. When we started to produce and sell outdoor trampolines 25 years ago we sold direct to end users. As we grew the market we became more of a supplier to the trade. Recently we realised that the bulk of our business was in supplying retailers who mostly sell on line. So in July 2008 we launched www.supertrampdirect.co.uk where we sell our range of outdoor trampolines at **competitive** prices.

For years we have operated a scheme under which clubs can order Super Tramp garden trampolines for their members and claim commission from us. The catch was that the sale was always at full recommended retail price with a generous commission going to the club. Obviously the order had to come to us through the club otherwise we could not make the connection between member and club in order to pay commission to the club.

As from 1st March 2009 we are be happy to supply 'participating clubs' at the reduced prices stated on our www.supertrampdirect.co.uk site and pay the club a commission of 10%. In addition any participating club that also honours Super Tramp's 'Free Trampolining Lesson' vouchers will be able to redeem them for the enhanced amount of £7.00 each instead of the normal £5.00 each.

You do not have to accept the vouchers in order to benefit from the 10% commission offer above

If you are interested in becoming a 'participating club' there are two small things you need to do.

Firstly complete, sign and return the attached agreement form.

Secondly set up a link into www.supertrampdirect.co.uk.

The agreement is validated once your inbound link has been established.

Best regards

Chris Prentis
Director

Super Tramp Sports Hall Services now supply their own range of competitively priced, top quality folding wheelay trampolines, mini trampolines, end decks, landing areas and replacement components. They also carry out equipment servicing.
